CHIDAMBARAM); (I) The judgement of the Supreme Court in the case of Narender Chadha *Vs.* Union of India dated 11th February 1986 has come to the notice of the Government. The Court has held that in the cases of officers appointed to Grade IV of the Indian Economic Service/Indian Statistical Service during the period upto the date of judgement, the entire period of *ad hoc* offlciation followed by regular appointment should be counted for the purpose of seniority.

(b) and (c) The judgement was given in respect of persons belonging to the Indian Economic Service and the Indian Statistical Service on the facts and in the circumstances of the case before the Court. The Court has also directed that all appointments sholl be made hereafter in accordanc« with the rules and seniority determined under Rule 9C of the Rules. Hence the question of issuing any direction does net arise.

Annomalies in the Pay Scales in the Army Ordnance Corps

*346. SHRI RAFIQUE ALAM: Will the Minister of DEFENCE be pleased to state:

(a) whether Government have received representations from some Members of Parliament regarding the anomalies in the Pay scales of the workers of the Army Ordnance Corps;

(b) if so what are the details thereof; and

(c) by when a final decision in the matter is likely to be taken?

THE MINISTER OF DEFENCE (SHRI K. C. PANT): (a) to (c) Government have received some representations from a Member of Parliament regarding demands of the Staff of Army Ordnance Corps, including the one relating to sorting out of certain disparities/anomalies in the pay scales of Storekeepers, These are as follows: —

(i) The Expert Classification Committee (ECC) appointed by the Ministry of Defence had recommended a pay scale of Rs. 260-430 (instead of Rs. 260—400 as recommended by the Third Pay Commission) to the Ordnance Storekeepers but the sait)' was not implemented. As per recoif mendations of the ECC, the Fourth Pay Commission pay scale of Rs. 975-1540 (which is the replacement scale for Rs. 260-430) should be sanctioned.

(ii) The Third Pay Commission had recommended a pay scale of Rs. 380-560 to twenty categories of employees, except Storekeeping Staff of the Army Ordnance Corps, who were given a pay scale of Rs. 350-560. This anomaly should be rectifl-ed and these storekeepers should be given the Fourth Pay Commission pay ascale of Rs. 1320—2040 (which replaces the scale of 380-560).

The recommendations of the ECC in respect of non-industrial workers were considered but not accepted by the Government, as the Third Pay Commission had recommended job evaluation only for industrial workers.

The question of sorting out anomalies can be considered after a decision regarding the setting up of an Anomalies Committee is arrived at and if it falls within the definition of an 'anomaly'.
